I seek retribution, I'm after bones and
sinew, bloody execution, Organ trading is
the issue, in what other mincing of words
may I now convince you that electrocution
and therapy are the vital conditions by
which we "pass" over our emotional
and sexual tension; the way of the wrong
we are forbid to mention. Love and slavery
being the contenders, us avatars of Truth bending,
of any a dichotomy worth attending, self
marriage and divorce, operating in assertion
of preventing a convo-roted mess-age:
Privacy is integral, separate and minimize
with wealth as rendering the challenges
unending, bare with me through eternal
(un)ending, lending and borrowing are
dangerous when you play card of the
saviors: F L Y and systematically
savour no pain, wager no loss of breath
nor health to gain reciprocal granting

~~of~~ of damning will and sexpression
for a momentary thrill of war with
being well.

In the fight of me vs me,
who will "win", who will die, how
may we "go green?"
I wanna "bulk" as in VEG
I wanna "cut" out all processed
I wanna build my body by destroying
the concepts of dogma as to equip
myself & others whom consent with
Zeugma Eurythmics / xoxo, Nalan.

When adding to shun of me,
compensate ~~with~~ with vulnerable & Integral
